# **Shohorab Hossain Shawon**

# Full Stack Developer

### **PROFILE**

I'm a Software Engineer & Full Stack Developer with hands-on experience building modern, scalable web applications using Next.js, Nest.js, MongoDB, PostgreSQL and Tailwind CSS. I specialize in creating fast, responsive, and SEO-friendly websites—from designing sleek front-end interfaces to building robust back-end APIs.

### **EDUCATION**

American International University-Bangladesh - January 2020-25

BSc. in Computer Science and Engineering

Major: Software Engineering

Ashuganj Sar Karkhana College - July 2017 - June 2019
